Professional Objective

An enthusiastic and detail-oriented Information Technology student with a passion for **software development**, **web development**, and **data-driven problem-solving**.

Seeking an internship opportunity to apply my skills in programming, software development, and IT systems, while gaining hands-on experience and contributing to innovative solutions.

Education

Bachelor of Science in Information Technology

Kabarak University, Nakuru, Kenya

(Currently in Year 4, Semester 2)

Technical Skills

- **Programming Languages:** Python (AI, ML, Numerical Analysis), JavaScript, HTML5, CSS3, SQL
- **Frontend Development:** Responsive Web Design, Beginner-level React.js
- **Backend Development:** Flask, MySQL, MongoDB
- **Frameworks & Libraries:** TensorFlow, Pandas, NumPy, Scikit-learn
- **Mobile Development:** Beginner-level Flutter
- **Version Control:** Proficient with Git and GitHub

Soft Skills

- Strong problem-solving and analytical thinking
- Effective communication and teamwork skills

- Adaptable to new technologies and environments
- Quick learner with a detail-oriented approach

Relevant Experience

Junior Developer

- **Mental Health Chatbot (EMMA):** Designed and implemented a chatbot aimed at supporting university students with mental health challenges. Utilized Python and machine learning algorithms.
- **CarYard E-commerce Web App (*In Progress*):** Developing a vintage car e-commerce platform using Flask and MongoDB.

Relevant Coursework

- Data Structures and Algorithms
- Software Development Life Cycle
- Artificial Intelligence and Machine Learning
- Web Development

Achievements & Interests

- Developed a Neural Style Transfer website using convolutional neural networks.
- Consistently achieved top grades in IT-related coursework.
- Interested in building scalable software systems and leveraging AI for impactful solutions.

Languages

- Fluent in English and Swahili

Additional Information

Available for internship opportunities (remote or in-person) and open to relocation within Kenya.
